Download the latest version of Autoland Utility here

**** Note: The utility software is compressed into a .zip archive file**

The archive can be opened using programs such as 7zip.

For instructions installing one please visit our YouTube Channel

<https://www.youtube.com/watch?v=sUwrGd1nV4U>

Extract Files

1. Right click on the download

2. Choose 'Extract Files Here'

3. Double-click to launch AutolandUtilitySetup.exe

Complete the Setup Wizard

** Shortcut on the desktop will automatically be created

Install Complete

Launch Autoland Utility using the shortcut on your desktop

Conclusion

Autoland Utility Software notes:

- File Manager
 - You may be prompted to update your version of File Manager
 - For a detailed guide please review 'How to update File Manager'
 - If File Manager does not recognize your scanner ensure Autoland PSModule drivers are installed
 - For a detailed guide please review 'Installing Autoland Drivers'
- PC Scanner
 - If your PC does not have a serial port or built-in Bluetooth, you will need to use a USB adapter
- CRM
 - If printer is not installed, use print to PDF option
 - For a detailed guide please review 'CRM: How to'

** If you are still experiencing issues: Take a screenshot of the error message and contact Autoland Scientech USA, Inc. at (512)336-5152
